#### Public Transports

To avoid congestion in Anzère car parks and encourage the use of public transport, the municipalities of Arbaz and Ayent and Anzère Tourism offer free use of public transport on our territory.

The regular Car Postal lines between Grimisuat (COOP), Arbaz, Ayent and Anzère are free this winter season for tourists (that pay their tourist tax), secondary residents and inhabitants of Arbaz and Ayent (until April 10). In the event of a control, you must be able to prove that you belong to one of the aforementioned groups.

The free shuttlebus runs daily in Anzère until April 10, 2023.

For their first, and their last journey to and from their parking lot in Botyre, the 'Anzère' shuttle buses can be used by everyone.

- The first stop by Ayent is the PKB of Botyre.
- The first stop by Arbaz is the Blignou junction.
